

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

It has been a very busy week at St. Aidan's!

Key Stage 2 had an amazing time at the robotics workshop and Year 4 did amazingly well at their skipping festival. This resulted in them receiving their 'Aspire to Inspire' jigsaw piece for Teamwork. Well done to them!

Apologies for the ongoing issues with the phonelines. We are still awaiting our phone company to divert to a new number. This should be up and running on Monday...hopefully!

As tomorrow is Holocaust Memorial Day, the children have spent some time reflecting on the significance of it and learning from it.

Have a lovely weekend.

Mrs Teer.

Class News

Seedlings – We have had a 'souper' week exploring The Enormous Turnip and making our very own soup.

Saplings – Another fantastic week exploring Traditional Tales. We have enjoyed becoming builders like the Three Little Pigs and built using straw, sticks and bricks.

Sycamores – We have had a super week learning about common and proper nouns. We can even use them in our writing!

Poplars – This week we have had a super busy time, finding out about Ann Frank and producing some lovely pieces of work one day, computer coding the next! Great effort all round!

Maples – We have worked hard creating an eternal flame for Holocaust Memorial Day.

Elms – We have had a super busy and exciting week. We took part in the EKO robotics challenge, developing our coding knowledge, teamwork and problem-solving skills. We have also taken part in a skipping festival where we all persevered and worked together to improve our skipping skills.

Hawthorns – Year 5 showed great teamwork skills in the STEM workshop this week. Well done!

Chestnuts – Year 6 have found learning all about the Holocaust very interesting as we remembered those who perished.
