

St. Aidan's Catholic Primary School Weekly Bulletin

Message from Mrs Teer

I have been able to spend more time in classrooms this week and have loved seeing all of the engaging things that are happening. Year 3 have loved created a model of the Earth's layers.

The girls football team attended the NUFC tournament on Monday and demonstrated fantastic teamwork and communication skills.

The boys football team made a strong start to their league campaign at Dukes on Tuesday, winning both of their matches.

Monster Phonics continues to be hit and I am impressed with the progress in the lower school.

Have a lovely weekend.

Mrs Teer

Messages for parents/carers

Please make sure no juice is being brought to school in water bottles, only water is allowed.

A polite reminder that school starts at 8.45am. Children should be coming into school via the main yard, not the main office. We will be monitoring persistent lateness and parents/carers may be contacted to discuss this.

Children should be collected from the yard at the end of the day unless prior arrangement is made. If you collect your child from the office, you will need to wait until the children come back in off the yard after their teacher has dismissed the rest of the class.

St. Aidan's Stars

Our Stars this week were nominated for:

- ☺ Telling her peers why our prayer table is green
- ☺ Fantastic word blending and segmenting
- ☺ Excellent learning in Maths and improved attitude to learning
- ☺ Making an extra effort in contributing to class discussions
- ☺ Improved attitude and handwriting
- ☺ Being an excellent role model who is respectful and enthusiastic at all times.

St. Aidan's Saints

Our Focus for this week was Honesty. Please ask your child why they received their Saint award this week.

Class News

Seedlings: Nursery have been learning about autumn, we have been hunting for signs of Autumn and we learned why the leaves change colour.

Saplings: This week Reception have been putting their sounds to use and have been developing their blending skills - what words can they remember?

Sycamores: This week we have started to sort common nouns and proper nouns and we are really good at it!

Poplars: This week we have produced some lovely painting celebrating that God is with us at every new beginning.

Maples: Year 3 have embraced the new Superhero Spellings and love playing games to help them remember their spelling words. We have also started practicing our Celebration of the Word ready for Monday morning.

Elms: Year 4 have been using their investigative skills in Science this week. They co-operated and worked well in small groups collecting and recording results accurately.

Hawthorns: This week we have enjoyed finishing off our place value or punctuation and grammar topic.

Chestnuts: Year 6 were really enthusiastic about their art topic this week where they analysed different food packaging and thought about why marketers had chosen particular designs.

Weekly Attendance
