

Sports Premium Funding 2021-22

The Primary PE and Sport Premium is awarded to every school with primary aged pupils and must be used to fund additional and sustainable improvements to the provision of PE and sport, to encourage the development of healthy, active lifestyles. Schools should publish the amount of premium received; a full breakdown of how it has been spent (or will be spent); what impact the school has seen on pupils' PE and sport participation and attainment and how the improvements will be sustainable in the future. Schools should also consider how their use of the premium is giving pupils the opportunity to develop a healthy, active lifestyle.

Funding allocation 21-22: £17, 930.
