

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

This week has brought much excitement with the announcement of some further trips and activities. Our Year 3 and 4 children will be undertaking a water sports day each at Bolam Lake and our Year 5 children have a day trip planned to London. They're all very excited. A huge well done to our Year 6 children who absolutely smashed their SATs tests this week; they took it all in their stride and didn't bat an eyelid. I know how wonderful our children are, but it's always nice to hear it from others. After her session with Miss Marshall's Saplings class on Wednesday, Emily, the NUFC coach stuck her head around my door and told me how great they'd been. In her words: 'This school's just lush, isn't it?'. I have to agree... Have a lovely weekend. Mr Moran.

Class News

Seedlings – This week we have revisited shape and have enjoyed lots of games to help us – super effort Seedlings!

Saplings – This week we have enjoyed learning all about the story 'The Runaway Iceberg.'

Sycamores – Sycamores have continued with decision in Numeracy and we have written some amazing non-chronological reports about giraffes.

Poplars – This week we have been superstars sorting data – well done all!

Maples – In Maths this week, Maple class have been measuring capacity and volume.

Elms – This week we have written some fantastic newspaper articles on minerals around the world.

Hawthorns – This week, for our ICT week we have learned all about the features of Excel, PowerPoint and Word.

Chestnuts – A huge well done for all your hard work this week during your SATs.

Our fantastic award winners this week! Mrs Teer couldn't choose just one star so she chose the whole of Year 6!

Attendance

Saplings – 96.00%

Sycamores – 91.38%

Poplars – 85.67%

Maples – 95.76%

Elms – 97.06%

Hawthorns – 96.25%

Chestnuts – 99.41%

Well done to Mrs Teer's Chestnuts again this week – 2 weeks in a row.

Well done to our Year 6! They've been superstars during their SATs. We're all very proud of them! Huge well done to Maples on their fantastic assembly this morning. I can't believe how much they knew about the water cycle. Well done!
