

## St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

It's been such a brilliant week (I think the children even enjoyed it too!). Show Club had a fantastic time at School of Rock at the Theatre Royal. They set such a good example for our school. Well done to our footballers on picking up two more wins. Mass with our parish was fantastic; it was so lovely to hear the children singing the hymns they've been practising. We have (finally!) joined the Bishop Bewick Catholic Education Trust after a year of delays. We are now officially known as St. Aidan's Catholic Primary School. It is an exciting time and I'm looking forward to all the opportunities it will provide our school with. Mr Moran

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

### Class News

**Seedlings** – We finished writing up our newspaper articles on the Blitz and have tested our knowledge on percentages in Maths.

**Saplings** – This week we have excitedly observed our caterpillars form their chrysalis'. We have also explored crossing the road safely with the help of super cat. Stop, Look, Listen, Think!

**Sycamores** – We have had a great week writing familiar setting descriptions using prior knowledge of adjectives and nouns. A great week Sycamores!

**Poplars** – Feeling fruity! Ask your child to make you a fruit kebab! We had a super fun time!

**Maples** – Maple class have thoroughly enjoyed sculpting hand crosses out of clay this week in the style of Nancy Denmark.

**Elms** – Elm have knocked Miss Carrie's socks off this week with how hard they have worked. We have looked at the achievements of scientist Marconi who invented the radio. We have also explored the self-discipline it takes to be a successful child actor like the Harry Potter cast.

**Hawthorns** – Hawthorns had an amazing time at Beamish on Wednesday and got a true feel of what it was like to live during the Victorian era!

**Chestnuts** – We finished writing up our newspaper articles on the Blitz and have tested our knowledge on percentages in Maths.
