Headteacher – Mr M Moran

Dear Candidate,

Thank you for your interest in the post of Class Teacher at St. Aidan's. We are seeking an inspirational and innovative classroom practitioner to join our talented school team. The ideal candidate must be someone who shares our extremely high aspirations for the children of St. Aidan's and will strive to support them in their development both in the classroom and out.

The best thing about our school is our children. They benefit from extremely strong relationships with our staff and are nurtured to be the best they possibly can be. Our classrooms are hives of activity; the children thrive in an atmosphere of creativity and care. The successful candidate will have the privilege of working with conscientious, hardworking pupils who are eager to learn and display excellent behaviour.

It is an extremely exciting time to become part of our staff team. St. Aidan's became a primary school in 2017 and we have been on a journey of improvement ever since. We enjoyed a successful OFSTED inspection in December 2021 where the inspectors recognised the 'high expectations we have for what pupils will achieve' and 'the strong sense of kindness and mutual respect' which permeates our school. We have also recently joined the Bishop Bewick Catholic Education Trust which has strengthened our relationship with other Catholic schools across the region.

We are looking to recruit a Class Teacher who shares our vision of providing a first-class education for our pupils and creates an exciting, engaging and nurturing classroom environment where all children are valued and supported to make excellent progress.

Visits to our school by interested candidates are encouraged and welcomed: the children, staff, governors and I would be delighted to show you around our school. Anyone interested should contact the school office to make an appointment.

To apply, please complete the **application pack and include a supporting statement outlining the qualifications (including degree level), experience, skills and attributes which you will bring to the post. Your statement should be no more than 1,300 words.**

Application packs are available by emailing jacqueline.shortt@st-aidans.northumberland.sch.uk and should be returned to the same address, marked for the attention of the Headteacher by noon on Friday 13th October 2023.

Yours sincerely,

Michael Moran
Headteacher
