In the Love and Truth of Jesus we grow

Another week that has flown by. I've really enjoyed being around the children this week – I've spent some time in a lot of classes speaking to children about their learning and it's always such a positive experience.

I've also really enjoyed teaching maths to a group in Year 6 ahead of their SATs – it's nice to be able to do that again and I'm just thankful I remembered what to do!

Well done to Year 1 and Year 2 who were fantastic at their sports multi-skills/gymnastics events this week; they're wonderful ambassadors for the school.

Have a lovely weekend! Mr Moran.

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

Class News

Seedlings – A fantastic week for our new starters and another excellent week for our older children helping them settle in and being good friends. We have loved learning about pets this week.

Saplings – A fun filled week exploring the zoo vet! This week we have thought lots about how to take care of animals when they're poorly.

Sycamores – We have had a great week writing our own explanation texts about cockapoos, with some fantastic practical maths lessons, understanding numbers 11-20. Well done to all for super efforts in the multi-skills trip.

Poplars – Year 2 have been fantastic ambassadors for St Aidan's at the gymnastics festival. Such positive comments were made by the gymnastics coaches.

Maples – Year 3 have had an excellent week! We have enjoyed an afternoon with the NUFC Foundation and cricket coaches.

Elms – This week we have researched animal adaptations and used our facts to prepare sentences for our explanation text.

Hawthorns – Hawthorns class have been working hard and tackling difficult new concepts in our fractions unit. Well done everyone!

Chestnuts – Chestnuts have adapted so well and respectfully to our trainee teacher Mrs Conroy. They have demonstrated excellent attitude towards their learning in her lessons.
