

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

The end of another fantastic week. Well done to all of our fantastic prize winners. It's lovely to hear about all of the fantastic things the children are getting up to outside of school.

A special mention to our Year 6 children who did so well in the multi-skills Northumberland games event this afternoon. I love how they can be held virtually with many schools competing from their own building.

Finally, a huge well done to our Seedlings class. All of our new starters have settled in so well and I'm delighted at how well the children already there made them feel so welcome.

Have a lovely weekend! Mr Moran.

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

Class News

Seedlings – This week we have heard all about your pets and thought about how to look after them. We talked at length about whether a crocodile would be a good pet!

Saplings – This week we have written some fantastic zoo animal descriptions. Can you remember which animal was your favourite?

Sycamores – This week we have been using conjunctions to join clauses in Literacy and completed our maths topic of place value – numbers to 20.

Poplars – This week we have done some fantastic drawing, focussing on Antoni Gaudi. We are looking forward to continuing our lizards next week!

Maples – This week Maple class have used Chrome books to do some super research on the water cycle ready for our class writes next week.

Elms – This week, Elms have worked extremely hard in maths, using different methods to multiply 2 digit by 1 digit numbers. We have also learned about the different responsibilities parishioners have to make the parish community successful in preparation for our trip to church next week.

Hawthorns – Hawthorns produced some fantastic persuasive writing complaining to the Prime Minister about the age restrictions currently in place for children accessing social media.

Chestnuts – Chestnuts have made amazing effort in writing biographies and great enthusiasm for learning about inheritance and variation.

Attendance

Saplings – 89.31%
Sycamores – 94.00%
Poplars – 91.33%
Maples – 96.00%
Elms – 95.33%
Hawthorns – 94.67%
Chestnuts – 92.12%

Well done to Mrs Traba's class this week.
