Whole School Focus						
There will be a termly whole school focus to support the learning in our school and to make links with our local area and other subjects in the curriculum.						
Art of Ashington				Self Portrait		
In the first week of the Autumn term each class will focus on a piece of art linked to mining. This is to celebrate our local area and the history of mining in Ashington.				In the Summer term each child will draw a self-portrait. The aim of this is to show progression in this skill year on year and to use the skills they have learnt that year
