

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

Four weeks done already!

It certainly is flying by. I've spent a lot of time in the classrooms this week and I'm delighted with how all of the children have settled back into their routines.

I have to big up our teachers and teaching assistants. You can really see the quality of the practice coming through and it is showing all the time we have spent developing our staff paying off. They all do a fantastic job and it wouldn't be possible without them.

Well done to our boys' football team who got off to a fantastic start in the Bishop's Cup. A few teething problems but there are a lot of things they're going to be a force to be reckoned with this year.

Well done to all our winners!

Have a lovely weekend.

Mr Moran.

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

Class News

Seedlings – Another great week for Seedlings. This week we have learned about body parts and what we use them for and produced some lovely texture collages after talking about materials.

Saplings – This week we have had a super first PE lesson! We have had lots of fun exploring space and improving our travelling skills. I have been very impressed with our independent dressing skills.

Sycamores – We have been learning about Autumn and using Autumnal items to experiment in Art.

Poplars – We have had a fantastic week with great learning all around. I am super proud of you as you are all a great Year 2 class.

Maples – Year 3 have been amazing at understanding where the UK is in the world.

Elms – In maths, we have used loads of practical resources to develop our learning. We used string and pegs to support in our learning of number lines and looked at cars on auto trader to bring our knowledge of comparing and ordering of 4-digit numbers into real life context.

Hawthorns – This week we have been rounding and comparing numbers in Maths and we have really enjoyed finishing our Literacy book of Journey to Jo'Berg, in preparation for our diary entry writing next week.

Chestnuts – Year 6 demonstrated great mapping skills during our 'Hazards of the World' topic.

Attendance

Saplings – 93.04%

Sycamores – 92.67%

Poplars – 95.67%

Maples – 95.18%

Elms – 98.50%

Hawthorns – 98.00%

Chestnuts – 96.33%

Well done to Miss
Carrie's class again this
week!
