

St. Aidan's Catholic Primary School Weekly Bulletin

Message from the Headteacher

It was all busy this week!

Year 5 enjoyed their spectacular trip to London and even saw the Queen consort!

Thanks to all the parents for volunteering for aspiration week and speaking to our children about their different roles, from pipe inspection to chemistry.

Pupils enjoyed visits from the fire brigade and police as well as Ashington Rugby Club coaches.

Year 6 had a great time at the Primary Festival at Emmaus Youth Village on Tuesday.

Have a lovely weekend and we will see you on Monday for another busy week!

Mrs Teer

Our Stars this week were nominated for:

We have been so busy with aspirations week that we haven't been able to have our celebration assembly to award our Stars of the Week but we would like to give a special mention to Year 5 who were fantastic ambassadors for our school in London this week.

Class News

Seedlings: This week we have been learning about how police can help us. We loved our visit from the Fire Brigade on Tuesday morning and the Police this afternoon. We have also enjoyed the sun and outdoors.

Saplars: We have enjoyed a visit from the fire brigade and police this week as part of Aspirations week.

Sycamores: We have had a fantastic week with visits from the fire brigade and the police. We asked lots of fantastic questions!

Poplars: We have created some amazing iPad art this week. Well done!

Maples: Everyone has worked so hard creating a fantastic banner ready for the Year 3 camp out!

Elms: This week, we became Roman Judges and gave punishments for crimes. We were amazed to discover that we have been learning about one Roman punishment every year - crucifixion. We couldn't believe that our learning in RE can help our learning in History!

Hawthorns: This week was all about London! We had such a fantastic (yet hot!) day. We visited Buckingham Palace, Downing Street, Big Ben and London Zoo. We even caught a glimpse of the Queen Consort! Everyone was so well behaved.

Chestnuts: Year 6 have loved finding out about a range of different careers during our aspirations week. They've now got their thinking caps on about which subjects they excel in and how these fit with different jobs.
