

## St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

The weeks are certainly flying by now.

Well done to our footballers in KS2 who picked up 6 more points in the league campaign. They sit up in 4<sup>th</sup> with a few games to go.

I must mention our fantastic Y6 class who are preparing for their SATs in earnest. Their hard work and dedication to their learning is absolutely fantastic and there is a real energy around Mrs Teer's class whenever I go in.

I'm sure their hard work will pay off in just over a weeks' time.

Have a lovely extended weekend. Mr Moran.

### Class News

**Seedlings** – We have made some shape trains this week and have been blown away by 2D shape knowledge. We have also thought about how we look after the world for Earth Day.

**Saplings** – We have enjoyed reading 'The Day the Crayons Came Home' this week and we have had some super imaginative ideas about the places we would like to visit.

**Sycamores** – We enjoyed having our adults in school this week for the drop-in. We completed work all about plants.

**Poplars** – A super fractions week! Keep up the great learning. Could you find any facts about jaguars for Tuesday?

**Maples** – We have done some excellent work on fractions this week, completing some very tricky challenges!

**Elms** – This week, Year 4 have worked really hard to infer more information about a character by reading between the lines and hunting for clues in the text. This is a really tricky skill and they have made loads of progress! Well done everyone!

**Hawthorns** – Year 5 have amazed me with their ability to find and apply powerful vocabulary in their descriptive writing this week.

**Chestnuts** – The children have really outdone themselves this week with how they have worked with SATS's revision. Superstars!
