In the Love and Truth of Jesus we grow

Thank you so much to everyone who has bought us a book for our library from our amazon wishlist. Please share the list with family and friends to help build our library. We will be adding more books to our list soon.

The children have had a fantastic time with the Rockpool School this week, learning about rockpool environments and how we can protect them.

Showclub had an amazing time at Shrek and Year 1 had a great time at their 'Movement festival' at the leisure centre.

Mini Vinnies are looking forward to receiving lots of donations for Ashington Life centre food bank next week.

Have a lovely weekend!

Mrs Teer.

Class News

Seedlings – Our story this week was The Gingerbread Man. We have enjoyed making, decorating and eating gingerbread men and loved our visit from Rockpool School!

Saplings – This week we have enjoyed reading the story Little Red Riding Hood. We have also had lots of fun at our whole school treat – Rockpool School was fantastic fun!

Sycamores – We were all very brave when handling the creatures in Rockpool School, but we were very gentle. I am very proud of how well they did in their assembly this morning.

Poplars – This week we have enjoyed learning about animals found in Kenya. We had great fun using compass points to navigate our way around a safari park! Looking forward to next week's art lesson where we will be creating animal prints.

Maples – We thoroughly enjoyed Rockpool School this week, handling the creatures and making our own. We are also improving in the ukelele!

Elms – Elm class have worked really hard to fully understand how to create and punctuate single-clause sentences. I think perfecting the basics will really help develop their writing skills - I am already beginning to see the difference!

Hawthorns – This week we have worked extremely hard in Maths, finishing fractions and starting decimals and percentages.

Chestnuts – A huge well done to Year 6 for completing their mock SATS this week. They have all worked really hard and the results are showing.
