In the Love and Truth of Jesus we grow

Well done to Coding Club for their first appearance at Lego League this week. They did well in all of their categories and it was really impressive to see what they have achieved in quite a short time.

Thank you so much for all of your generous donations for the Chocolate prizes. There are so many there and the children all looked fantastic in their own clothes.

The ducks have been very popular in Nursery. It has been lovely to see the children being so caring towards them and everyone has been desperate to come in and see them. I've had a hold a few times!

Have a lovely weekend! Mr Moran.

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

Class News

Seedlings – We are now the very excited carers of 3 (soon to be 4) ducklings – the children have been fascinated by the process of watching them hatch.

Saplings – This week we have been learning all about farm animals! We have been thinking carefully about the different houses animals live in and what they need to live there.

Sycamores – We have had a great week learning about the Great Fire of London.

Poplars – This week we have written some fantastic reports about the Titanic – we have applied our knowledge and skills well.

Maples – This week maples have enjoyed an exciting visit from a Pirate crew from the Historical Living Company. We learnt lots of interesting facts and even tried out sword fighting.

Elms – This week, Miss Carrie tried to sell the whole class as slaves to the Romans who visited school. We were put to the test to see if we could handle the jobs that slaves were required to do such as training as a gladiator, scrubbing the floors and squishing grapes for wine. Apparently, we would all make fantastic Roman slaves!

Hawthorns – The highlight of our week was seeing what it's like to live as an Anglo-Saxon when the Historical Living Company came to visit.

Chestnuts – We have absolutely flown in Algebra this half term and all pupils have done amazing, Year 6 were also fantastic for the Historical Living Company.
