

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

I've been out of school for two days this week so have missed a lot of what has been going on – it's great to hear about the fantastic things the children have been up to.

I had a very competitive training session with the UKS2 boys today to start of the season. They look really strong and I expect a successful year. We also discussed our aims for this season, which included the signing of a contract which exemplifies their attitudes towards the season. I think it is very positive that they have been thoughtful of their attitudes when competing this season.

Have a lovely weekend.

Mr Moran.

Class News

Seedlings – Nursery have been practising and showing off their counting skills this week and have produced some fantastic concentric circle artwork.

Saplings – This week we have been learning all about the story 'The Colour Monster goes to School.' We have been exploring our own feelings about going to school and what makes us feel happy, sad, excited or sometimes even nervous!

Sycamores – This week we have had lots of fun celebrating Dot Day! We have designed dots, labelled them and used describing words. Super work everyone!

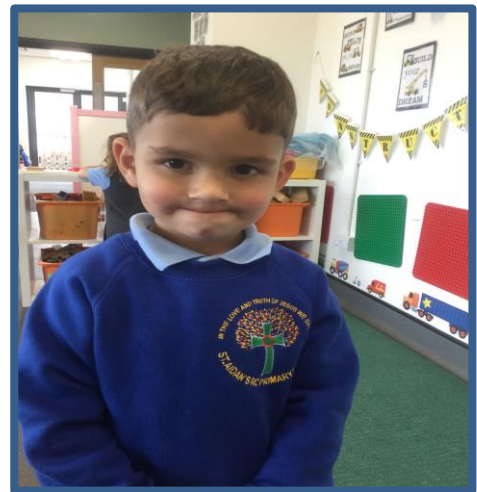

Poplars – This week we have been fantastic artists! A super week from everyone. Keep it up!

Maples – We have had an amazing week looking at our new book, 'Gregory Cool,' studying themes and writing their own blurbs for the book.

Elms – We have worked really hard this week to develop our knowledge and understanding of refugees and what they go through. We have read a range of texts and listened to real life experiences of refugee children. This will help us to understand and describe the character Ahmed from Boy at the Back of the Class.

Hawthorns – Year 5 have had a busy week investigating the physical properties of materials in science and exploring our Literacy text – 'Journey to Jo-Berg.'

Chestnuts – Year 6 were fantastic scientists this week as we investigated the law of reflection.

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

Attendance

Saplings – 99.33%

Sycamores – 92.33%

Poplars – 98.67%

Maples – 91.43%

Elms – 99.33%

Hawthorns – 97.24%

Chestnuts – 94.67%

Well done to Miss Marshall and Miss Carrie's classes this week!
