

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

What a hectic week it has been. I'm very proud of how well our school has taken on the Big Lent Walk. At the time of writing, we were 15th out of over 500 entries – many of which are parish groups or secondary schools. I'm so proud of our little primary school in Northumberland. Keep logging those kms!

Well done to our footballers this week – both the boys and the girls. The boys and girls chalked up a few league victories between them and the girls narrowly missed out on making the final of the NUFC tournament on goal difference. They were outstanding and both represented our school so well.

Zoo lab was fantastic on Tuesday – the instructor was so complimentary about the behaviour of all the children.

Farewell to our ducks. They were very popular amongst all of the children. One week to go!

Have a lovely weekend! Mr Moran.

Our fantastic award winners this week – given for lots of wonderful things, please ask why if your child was a winner.

Class News

Seedlings – The highlights of this week include Zoo Lab where we got to meet and hold animals including a snake, snail and cockroach. We have also loved looking after our ducks – Indie, nemo and Duck and are very sad they have left today.

Saplings – We've had a fantastic visit from Zoo Lab this week! We learned lots about wild animals.

Sycamores – This week we have been learning about The Great Fire of London. We have started to build Tudor houses to make a Tudor street.

Poplars – We have done some super writing this week. Your descriptions of the Tea Thief were great!

Maples – Maples have written some excellent persuasive letters this week. We have also enjoyed a visit to see Nursery's ducklings.

Elms – This week we have been writing persuasive letters to sway Mr Moran's decision about football at break times.

Hawthorns – The highlight of our week was meeting all of the fascinating animals in Zoo Lab.

Chestnuts – I am super impressed with Chestnuts persuasive letters on bullying. The children have all made huge improvements across the
