In the Love and Truth of Jesus we grow

What a fantastic first week back. I have loved seeing how the children have settled into their new classes and are back into their usual routine. We have some wonderful things planned this year and I'm really looking forward to all of the opportunities the children will get later in the year. Well done to all of our classes with new starters; they have been made to feel so welcome and are part of our school community. One of the best things about our school is how everyone always looks out for each other. Have a lovely Weekend! Mr Moran.
